

DAVIDSONVILLE DANCE CLUB

From the President

DDC Dancers:

DDC welcomed in the New Year during a lovely dinner dance. A big THANK YOU is owed to Laurie Hopkins, who went well beyond the call of duty coordinating everything including decorating the hall. And, as we have grown to expect, Chip Atwood did his usual splendid job providing the music for the evening.

As I begin the year as your President, I want to express my appreciation for the years of service provided by Mike Greason. He has served six years on the Board of Directors including the last three years as our President. We start the year with a smoothly operating Club offering dances every Saturday night and dance classes four nights a week. I can't imagine a dance club offering more to its members. As someone in the Navy might say, he left everything in ship shape.

The Club is fortunate to have two Board members returning from last year. Laurie Hopkins is returning as Vice President and Sujit Ray is continuing as Treasurer. You have added a new Secretary, Fusako Ito. With the leadership and advice that this trio can provide, I am looking forward to a great year.

The Club does need more help from the members for such things as door greeters, floor setup and breakdown, and decorators for the dances and Class reps for the classes. The active participation of the members in all the Club activities is key to our continued success.
